HOW TO STARCH CROCHETED ITEMS:

Mix a cold water elastic starch in medium strength, according to instructions on package. Place item in starch and squeeze out. With rust-proof pins, pin item on well-padded flat surface, according to measurements, with wrong side up. Allow to dry or iron dry through a press cloth. For large pieces, such as tablecloths, pin out as large a section as board will allow, with wrong side up, and apply starch with a sponge. Iron dry and repeat until entire piece has been starched. For ruffled doilies, mix starch to heavy strength. Place doily in starch, squeeze out and pin out center on board with wrong side up. Iron center dry, remove from board and iron ruffle almost dry. Pin out center on board, form ruffles as desired and pin. Allow to dry.
